RE: RE: 822034 - AMMO 300 WSM 180 GR CX OTF Lot #3242367

Thank you for being a Hornady and Optics Planet customer. Recently you purchased 300 WSM Ammo from Optics Planet. We recently discovered a potential problem with this ammunition and would like to exchange it for you. We would very much appreciate it if you contact Kelsey Bredthauer at 1-800-338-3006, and she will make arrangements to pay for shipping and replace this ammunition.

We apologize for any inconvenience and appreciate your assistance.

Thanks,

Jason Hornady
